*Helping our innovative, talented, and highly-trained clients in their pursuit of excellence.*

### ***How Working Together<sup>SM</sup> clients benefit:***

Individual clients improve or recover their excellence in achievement and joy in work, through coaching that is psychologically-sophisticated:

- ▶ Coaching for professional growth
- ▶ Mid-career assessment and redirection
- ▶ Stress management
- ▶ Training in leadership-level social influence skills with ***“Making an Impact”***

Organizational clients and their work teams improve morale, productivity, and retention, through psychologically-sophisticated support for teams:

- ▶ Team effectiveness assessment
- ▶ Team development and coaching
- ▶ Management consultation
- ▶ Helping teams evaluate and improve the services they deliver

### ***How we work together:***

***Working Together<sup>SM</sup>*** draws on expertise in facilitating change as well as broad experience with the professional workplace.

Your situation is unique.

Together we will articulate your goals, assess your situation in light of those goals, and design a customized and structured program to achieve them.

We will apply research-based principles as we assess and work towards change.

We acknowledge that real-world change means we test our strategies, observe results, and revise and reapply our strategies.

We find joy in challenge.

**Working Together<sup>SM</sup> clients** value the pursuit of excellence in their scientific, creative, entrepreneurial, and service efforts. Clients have included Harvard University, the Commonwealth of Massachusetts, Brandeis University, Digital Equipment Corporation, and many individuals and private organizations in the sciences, design, government, medicine, finance, academia, the arts, and other settings.

*"I have known and worked with Diana Dill steadily for over ten years (and counting!). Diana is an integral part of my business team. She brings deep insights into the interactions of people that are at the heart of entrepreneurial enterprise. Working with Diana has made me a more effective entrepreneur, period."* —H.B., STARTUP ADVISOR AND INVESTOR

**Diana L. Dill, Ed.D.** is a consulting and clinical psychologist, and founder and president of **Working Together<sup>SM</sup>**. Over the past 20 years, she has been privileged to work with many of Boston's leaders in the science, creative, entrepreneurial, and service communities, to enhance performance and foster productive and satisfying relationships at work and home.

Diana received her doctorate from Harvard University, and graduated from post-doctoral training programs in organizational consultation and cognitive behavior therapy.

Prior to her consulting and clinical work, Diana worked as a research psychologist, and consulted to researchers in schools, health care settings, and government. Diana has authored over 20 publications and has presented her work at national and local professional organizations, universities, and medical settings.
